Follow us on Facebook at Mebane Walks

Mini Mebane Loop:

This trail begins at the Mebane Arts and Community Center (MACC). There is a sidewalk path that goes around the field behind the MACC and around the parking lot. If you walk two laps of this trail, it's 1.25 miles.

The baseball fields are only open during use and there is no set schedule. However, if the fields are open when you arrive at the MACC, you are permitted to walk along the inside of the fence, on the grass, around the baseball diamonds. If you walk one loop of the sidewalk trail, one loop around the baseball fields and up Corregidor to Third and back, it is 1 mile.
